Capabilities Statement

From the beginning, Empower Educational Consulting set out to be a different kind of educational consulting company: one that works side by side with teachers in the classroom where the real work is done. Our professional development, coaching, and learning products offer simple solutions to the unique needs of the schools we serve. We provide educators with skills and strategies they can use to help all students develop a lifelong love of learning and problem-solving.

Assist schools and school districts to teach well and serve at a higher level. Empower Educational Consulting provides public and private school systems with strong research-based resources and training. Best practices that increase teacher and student proficiency is Empower's pursuit. We help organizations achieve the best possible academic outcomes. The strength of the Empower model is Synergy with all stakeholders for the best possible outcomes.

Shaking up education and inspiring lifelong learners by empowering the whole child.
